

**Catterline, Kinneff & Dunnottar Community Council**

# **New Local Development Plan**

Aberdeenshire Council is preparing a new version of the Local Development Plan which will go live in 2016. Your Community Council wants to let you know what is being put forward in the plan and get your reactions, so that we can give input from the local area. We would particularly like your views about

- Wind turbines and renewable energy developments
- Housing development plans for the settlements
- Supermarket development and retailing in Stonehaven
- Any other issues that you want to raise

Please come along to our public meeting in Kinneff Village Hall on

**Sunday 12th January from 3pm to 5pm**

All welcome
