

Community Council Report

This report covers progress we have made in dealing with your priorities for the Kincardine and Mearns Community Council area for the period 1 to 31 January 2020.

The report aims to highlight emerging issues in your area, to provide crime prevention advice and guidance to Community Council members and the residents you represent. Our focus is to reduce crime and disorder, help create safer communities and respond effectively to local concerns.

There has been a slight increase in the number of Antisocial Behaviour calls within Kincardine and Mearns for the month of January, with 31 incidents reported. We value the continued support of our community across Kincardine and Mearns and encourage them to contact us where there are any antisocial behaviour issues.

There were 7 assaults within the January period, which is down by 5 on the previous month. Of those 7 reported, all are detected.

There were no serious assaults reported during January.

There have been 4 Housebreakings this month. Two properties had jewellery stolen and one property had an Ifor Williams trailer stolen from their garage to the value of £5000. The final property was accessed by force with property moved but not stolen. Communities are reminded to be vigilant report anything suspicious to Police and ensure property is secured and if left unattended leave lights on within, during the hours of darkness, to make it look like someone is within.
