Catterline Harbour Trust update – Harbour wall was inspected earlier this month. One major problem is a previous repair to the South West wall which will need replacing in time. Some areas underneath will need touching up. Report to be officially compiled and funding to be raised for work to be performed professionally. Community Council insurance policy could cover the Harbour Trust.

ACTION Duncan to contact Zurich Insurance to investigate the possibility of including the Harbour Trust and CBAG being covered under the Community Council insurance.

ACTION Duncan – Communicate with Zurich

Is the gala going to happen this year

Aberdeenshire Council budget planned for next week. Likely cuts to non-core services will be required and maybe into core services themselves
